Holageri School	..	..	..	
Anglo-Vernacular School, Ittigegud	109	92	24 12 0	Fees.
Night Schools	..	..	..	Not received.

Subjects.

1. Consideration of the accounts of receipts and disbursements for the month of March 1895.

Accounts read and passed.

2. Government Proceedings No. 15829—L. F. 16-94, dated 29th March 1895, refusing to modify the Government Order declining to sanction the Board's recommendation for introducing the registration of cattle sold at the weekly market held below Jivanrayankatte.

Recorded.

3. Vice-President's memo recommending that a pony allowance of Rs. 10 per month may be granted to Water Inspector Annadore Iyer to maintain a pony as, without it, it is not possible for him to travel all over the City since the distribution of water has since been extended to Chamrajpura and Kannegaudan Koppal.

Proposition carried by a majority.

4. Application from Applachar, Municipal Public Works Overseer, stating that as he was promised an annual increment of Rs. 10 up to Rs. 70 with horse allowance of Rs. 15, he accepted the post in October 1892 at Rs. 50 plus 10, but nothing was done though two years passed away and prays that his pay may be raised to Rs. 70 plus 15.

Deferred till next Meeting.

5. Reconsideration of the Board's Proceedings (Para II) of the 30th March 1895, relating to para 14 of the draft Municipal Administration Report for 1893-94.

After some amendments had been proposed and negatived, the original resolution was cancelled and the retention of the second sentence of para 14 of the Administration Report was carried by seven against four.

6. Docket No. 670-280, dated 19th March 1895, from the Sanitary Engineer about stopping Dhobi's washing the dirty cloths in the bed of the small tank of Padavarhalli, as it causes all pollution to find its way to the Kukarhalli tank, and Mr. M. Venkata Krishnaiya's proposal for providing a separate one for the above purpose.

Resolved that there is no necessity for conserving this tank as a drinking water reservoir as the villagers do not use its water for drinking purposes and as it can never surplus into the Kukarhalli tank.

Cash Account Current for the month of March 1895.
